

FLAME Response

We strive to respond to this fluid situation first in prayer, seeking Godly wisdom and discernment. We need His wisdom as we prepare to best serve our families.

Proverbs 24:3 - “Through wisdom a house is built, and by understanding it is established.”

Communication: FLAME PAC and staff are working to develop plans and procedures to respond to this situation. Please contact us via email with your questions.

The PAC will communicate new information via email and this website.

Latest Updates

Mask Policy – Per Dane County order, people five years of age and older must wear a face covering that covers their nose and mouth when in public buildings. This includes in schools, businesses, health care settings, waiting in line, and on public transportation. This order went into effect on July 13, 2020 at 8:00am.

Exceptions are made for certain activities such as eating, but during those activities, 6 feet distancing is required. Some people are exempted if they have a physical, mental, or developmental condition that prevents them from wearing a mask. Please see Public Health Madison & Dane County's (PHMDC) [order](#) for more information.

Fall 2020 Update – We are continuing to move forward with

plans since the family survey about in-person learning, virtual learning, and health considerations. Based on the survey results, we plan on starting classes with in-person instruction as allowed by our local health department. Class length and structure will be based on age (Elementary vs. MS & HS) and teacher/class need. Public Health Madison & Dane County (PHMDC) has not provided complete fall requirements as of this time. We hope to have that information soon.
